

May 2014 Graduation Survey

Page - Graduation Survey

Congratulations on your upcoming graduation! The Graduation Survey will provide comprehensive information about the future plans of all graduates and help us effectively tell the 'Gator Story.' The results will be used by the institution in aggregate form only for accountability, program review and accreditation purposes. Your name will not be associated with any of the data during reporting nor will your individual responses be disclosed. As part of the graduation process, participation in the survey is required, and if not completed, your transcript will not be released. If you no longer plan to graduate this semester or if you have questions, please go to ISIS and click the 'Contact Us' link appearing at both the top and bottom of the page. Thank you in advance for sharing your part of the 'Gator Story!' GO GATORS!
